SUB: Republic Day celebrations

Respected Madam

The following is proposed for your consideration and approval:-

1). Khadi is promoted and carries a message of national feeling. It would be apt if we wear Khadi on this national celebration. It may be requested to all faculty/staff/students to come in Khadi, preferably in light shades.

2). To celebrate the Republic Day, we may call for participants for the following events:

- i). Classical solo or folk dance
- ii). Recitation of patriotic poems and songs
- iii). A patriotic speech in Hindi/English for 5 min
- iv). A fancy dress competition (open to staff/students/faculty)

Performances of participants will be screened before presentation on the 26th January, 2019. Accordingly, based on participants, a panel of three judges may be prepared to evaluate and declare the winner of events.

I look forward to your suggestions in this aspect.

Thanking you,

Yours faithfully,

(DR. PALASHPRIYA DAS)
