Symposium

on

Involvement of Peripheral Organ Dysfunction in the Development of Cognitive Disorders

19th September 2024, Seminar Hall

Chief Guest

Dr. Krishna PandeyDirector, ICMRRMRIMS, Patna

Guest of Honor

Padmashree
Dr. JK Singh
Director, SS Hospital,
Patna & Hajipur

Patron

Prof. Ravichandiran
Director NIPER
Hajipur

The significance of peripheral organ failure in cognitive diseases is rapidly advancing, capturing the attention of industry professionals and researchers alike. This symposium elucidates the relationship between liver impairment and the progression of neurodegenerative diseases and cognitive deterioration. This symposium offers an opportunity for students and researchers to hepatic explore the most recent findings on encephalopathy and cognitive dysfunction, including insights into clinical trials and commercialization efforts.

Speakers

Dr. Prem N. Yadav Principal Scientist Neuroscience & Ageing Biology, CDRI, Lucknow

Prof. Ravi Manjithaya Neuroscience, JNCASR, Bengaluru

Prof. Shyam S Sharma Head, Pharmacology & Toxicology, NIPER Mohali

Prof. Nooruddin Khan Animal Biology, University of Hyderabad

Dr. Vipan K Parihar Head, Pharmacology & Toxicology NIPER Hajipur

Coordinator : Dept. of Pharmacology & Toxicology

Dr. Vipan Parihar, Assoc. Prof.
Dr. Nitesh Kumar, Asst. Prof.
Dr. Sanjiv Singh, Asst. Prof.
Dr. Debabrata Mandal, Assoc. Prof.
Dr. Suhani Sinha, Assoc. Prof.
Dr. Venkateswara Rao Amara, Asst. Prof.

SMPOSIUM

on

Involvement of Peripheral Organ Dysfunction in the Development of Cognitive disorders

19th September 2024, Seminar Hall

Time	Event
10:30 - 10:35 AM	Inauguration with lamp lightening
10:36 - 10:40 AM	Welcome address by Dr. P. Ramalingam, Dean, NIPER Hajipur
10:41 – 10:50	Inaugural address by Dr. V. Ravichandiran, Director, NIPER Hajipur
AM	
10:51 - 11:00 AM	Felicitation of guests by Dr. V. Ravichandiran, Director, NIPER Hajipur
	Chief Guest: Dr. Krishna Pandey, Director, ICMR - RMRIMS, Patna
	Guest of Honor: Padmasahree Dr. JK Singh, Director, SS Hospital, Patna and Hajipur
	Speakers: 1) Dr. Prem N. Yadav, Principal Scientist, CDRI, Lucknow
	2) Prof. Ravi Manjithaya, Neuroscience Unit, JNCASR, Bengaluru
	3) Prof. Nooruddin Khan, Animal Biology, University of Hyderabad
11:01 -11:30 PM	Address by Chief Guest, Dr. Krishna Pandey
	Address by Guest of Honor, Padmasahree Dr. JK Singh
11:31 - 12:30 PM	Scientific talk: "CXL10 in Brain Ageing: Implications in Neurodegenerative Disorders" by
	Dr. PN Yadav
12:31 - 1:30 PM	Scientific talk: "Small molecule therapeutics for autophagy regulation in health and
	disease" by Prof. Ravi Manjithaya
1:31 - 2:30 PM	Lunch break
2:31 - 3:30 PM	Scientific talk: "Pharmacological Targeting of Transient Receptor Potential (TRP)
	Channels for the Treatment of Cognitive Impairment" by Prof. SS Sharma
3:31 - 4:30 PM	Scientific talk: "Translating Bench-side research to Bed-side- A case Study" by Prof.
	Nooruddin Khan
4:31 - 5:30 PM	Scientific talk: "Cognitive impairment and mood deficit -associated with cranial
	irradiation" by Dr. Parihar VK
5:31 – 5:40 PM	Vote of thanks by Dr. Nitesh Kumar, Asst. Prof., Pharmacology & Toxicology
