Date: 09/04/2025

To whomsoever it may concern

**Subject: Notification Regarding Conversion Formula for CGPA to Equivalent Percentage of Marks**

This is to certify that the National Institute of Pharmaceutical Education and Research (NIPER), Hajipur, evaluates academic performance based on a 10-point Cumulative Grade Point Average (CGPA) system, as per the approved academic regulations of the institute.

In consideration of the increasing number of requests received from alumni, current students, and employers—seeking clarity on the equivalence of CGPA to percentage of marks—it has been decided to adopt a uniform and transparent conversion method.

Accordingly, the following formula is hereby notified for official use:

**Equivalent Percentage of Marks (%) = (CGPA × 5) + 30**

(Where CGPA is calculated on a 10-point scale)

**Scope and Applicability:**

The above formula shall be applicable to:

- All current students of NIPER Hajipur
- All graduates and alumni, irrespective of year of passing

This notification may be treated as an official document and may be submitted, wherever required, for academic, professional, or administrative purposes as a certified statement of percentage equivalence.

This has been issued with the approval of the competent authority.

  
**Dr. P. Ramalingam**  
**Dean – NIPER Hajipur**
